## DEDICATION

As we reminisce over the past school years, one personality is predominant in our fondest of memories. This fellow student always participated with the class in its many activities.

The Class of '59" dedicates this book to Delbert Miller, who, due to an unfortunate accident, was unable to graduate with us. May it be a memorial to his worthy aims and high endeavors.

# FORWARD

With our school year swiftly closing we pause to catch a final glimpse of the happiness and friends we've had. Many things have happened this year we shall never forget. We find ourselves holding closely to our hearts the fond memories of this past year at M. H. S. The 1969 Middletown is yours. You made it; we preserved it through word and picture.

## A SHARE IN AMERICA?

You already share in America's progress partly for the asking, partly for the taking. You'll also share in this year's place in history as an important citizen, as one who will be helping your fellow citizens choose the path of progress and progress against slavery in the new years by sincere and consistent action. This is an important moment in the history of America.

There are many such moments in private life, too, in this great country -- voting is one, such, electing the men and women who will be the leaders of America's government in the future.

All this responsibility and privilege will be for the highest - highest - citizen can put into it and our schools can make it. Make sure your school's management can, and your school's management can give you the best education and the best future higher and higher in the years to come. You are the one that you are, indeed, indeed. (1/2 page)

Congratulations on graduation day from your newspaper, your radio station, and your television station -- and good wishes to the future.
